Parent Support Group

## 2020 HOLIDAY ORNAMENTS

WSO Parent Support Group is once again offering our holiday ornaments, which have been created exclusively for us by NH artist Patti Bax. Each ornament is hand painted by the artist, making it one of a kind. Many Strings families have been collecting these ornaments since we started offering them in 1999! They make great gifts for both family and friends.

Order by Wednesday December 2<sup>nd</sup>! **Ornaments are \$15 each**

*Please note the old "Strings Attached" name will be replaced with the new "Wilmington String Orchestra" or WSO*
